GLOSSARY

Annual Budget – Prescribed in section 16 of the MFMA - the formal means by which a

Municipality approve official budget for the next three years.

Adjustment Budget – Prescribed in section 28 of the MFMA – the formal means by which a Municipality may revise its annual budget during the year.

Capital Expenditure - Spending on assets such as land, buildings and machinery. Any capital expenditure must be reflected as an asset on the Municipality's balance sheet and must be included in the asset register.

Cash Flow Statement – A statement showing when actual cash will be received and spent by the Municipality. Payments do not always coincide with budgeted expenditure timings – for example, when an invoice is received by the Municipality it is shown as expenditure in the month it is received, even though it may not be paid in the same period.

DORA – Division of Revenue Act. Annual legislation that shows the total allocations made by national to provincial and local government (see Allocations / Transfers).

Equitable Share – A general grant paid to municipalities. It is predominantly targeted to help with free basic services.

GRAP – Generally Recognised Accounting Practice. The new standard for municipal accounting.

IDP – Integrated Development Plan. The main strategic planning document of the Municipality

MBRR – Local Government: Municipal Finance Management Act (56/2003): Municipal Budget and Reporting Regulations dated April 2009.

MFMA – The Municipal Finance Management Act – Act No. 56 of 2003. The principle piece of legislation relating to municipal financial management.

mSCOA – Municipal Standard Chart of Accounts.

MTREF – Medium Term Revenue and Expenditure Framework. A medium term financial plan, usually 3 years, based on a fixed first year and indicative further two years' budget allocations. Also includes details of the previous and current years' financial position.

Vote – One of the main segments into which a budget is divided.
