1. **PURPOSE**

This report serves as the Quarter One (1) Performance Report for 2019/2020 financial year of Matatiele Local Municipality. It provides feedback on the performance level achieved to date against the targets as laid out in the IDP. The purpose of this report is to give feedback regarding the performance of Matatiele Local Municipality as required by The Municipal Systems Act No 32 of 2000 and Municipal Finance Management Act No 56 of 2003.

2. **EXECUTIVE SUMMARY**

This report is based on information received from each department for the first quarter assessment of performance ending 30 September 2019. This is a high-level report based on scores obtained through a process whereby actual information per Key Performance Area (KPA), strategic objective, programme and the aligned Key Performance Indicators and projects are compared to the budget and initial planning included in the 2017/2022 Integrated Development Plan.

Where under performance have been experienced the respective concerns or mitigating reasons are highlighted and detail pertaining to the relevant measures being implemented or those that need to be implemented are included thereto.

The overall performance for Matatiele Local Municipality is based on the Departmental Performance Scorecard as this contains all of the indicators as included in the IDP, SDBIP and Scorecards. Overall performance for Matatiele Local Municipality is based on the Departmental Performance scorecard, which is inclusive of all the IDP and SDBIP Indicators.

3. **CONCLUSION**

This report of Quarter 1 Performance for 2019/2020 financial year of Matatiele Local Municipality provided feedback on the performance level achieved to date against the targets as laid out in the IDP.

The report is based on information received from each department for quarter one (1) assessment of performance ending 30 September 2019.

Management will be encouraged to work towards a 100% achievement for the next quarter. Monitoring and Evaluation of performance will be done continuously to assist Managers to meet targets set.

The table below serves as a summary of results to this report:
