OFFICE OF THE MUNICIPAL MANAGER

PUBLIC NOTICE: POWER OUTAGES EXPERIENCED AFTER LOAD SHEDDING

Matatiele Local Municipality hereby wishes to advise residents that as Eskom continues with load shedding, some areas may experience power outages after the power has been restored by Eskom.

This is due to overload as a result of the new Khotsong TB Hospital connection. In the efforts to restore power (as a short-term intervention), customers are then gradually switched on. The restoration time is usually 30-40minutes. As a long term solution, the municipality is finalizing the construction of a new substation, which will de-load the existing substation.

We apologize for the inconvenience that will be caused by this interruption.

MR. LIZO MATIWANE
MUNICIPAL MANAGER
