GLOSSARY

Annual Budget – Prescribed in section 16 of the MFMA - the formal means by which a Municipality approve official budget for the next three years.

Adjustment Budget – Prescribed in section 28 of the MFMA – the formal means by which a Municipality may revise its annual budget during the year.

Allocations (Transfers – see DORA) – Money received from Provincial or National Government.

Budget Related Policy(ies) – Policies of a Municipality affecting or affected by the budget, examples include Tariff Policy, Rates Policy, Credit Control and Debt Collection Policies.

Capital Expenditure - Spending on assets such as land, buildings and machinery. Any capital expenditure must be reflected as an asset on the Municipality's balance sheet and must be included in the asset register.

Cash Flow Statement – A statement showing when actual cash will be received and spent by the Municipality. Payments do not always coincide with budgeted expenditure timings - for example, when an invoice is received by the Municipality it is shown as expenditure in the month it is received, even though it may not be paid in the same period. **DORA** – Division of Revenue Act. Annual legislation that shows the total allocations made by national to provincial and local government (see Allocations / Transfers).

Equitable Share – A general grant paid to municipalities. It is predominantly targeted to help with free basic services and to compensate loss of RSC levies.

Fruitless and Wasteful Expenditure – Expenditure that was made in vain and would/should have been avoided had reasonable care been exercised.

GFS – Government Finance Statistics. An internationally recognised classification system that facilitates like for like comparison between municipalities.

GRAP – Generally Recognised Accounting Practice. The new standard for municipal accounting.

IDP – Integrated Development Plan. The main strategic planning document of the Municipality

MBRR – Local Government: Municipal Finance Management Act (56/2003): Municipal Budget and Reporting Regulations dated April 2009.

MFMA – The Municipal Finance Management Act – Act No. 56 of 2003. The principle piece of legislation relating to municipal financial management. mSCOA – Municipal Standard Chart of Accounts.

MTREF – Medium Term Revenue and Expenditure Framework. A medium term financial plan, usually 3 years, based on a fixed first year and indicative further two years' budget allocations. Also includes details of the previous and current years' financial position.

Operating Expenditure –The day-to-day expenses of the Municipality such as salaries and wages.

Rates – Local Government tax based on the assessed value of a property. To determine the rates payable, the assessed rateable value is multiplied by the rate in the Rand.

SDBIP – Service Delivery and Budget Implementation Plan. A detailed plan comprising quarterly performance targets and monthly budgeted estimates.

Strategic Objectives – The main priorities of the Municipality as set out in the IDP. Budgeted spending must contribute towards the achievement of the strategic objectives. **Unauthorised Expenditure** – Generally, spending without, or in excess of, an Approved Budget.

Virement – A transfer of funds within a vote.

Virement Policy - The policy that sets out the rules for budget transfers. Virements are normally allowed within a vote. Transfers between votes must be agreed by Council through an Adjustments Budget.

Vote – One of the main segments into which a budget is divided. In Garden Route District, this means the different GFS classification the budget is divided.

LEGISTLATIVE FRAMEWORK

This report has been prepared in terms of the following enabling legislation:

The municipal Finance Management Act No. 56 of 2003

Section 71: Monthly budget Statements

Local Government: Municipal Finance Management Act (56/2003): Municipal budget and reporting regulations

PART 1-IN-YEAR REPORT

Section 1-Resolutions

These are the resolutions being presented to Council in the monthly report on the implementation of budget and financial situation of the municipality as required in terms of section 71 of the Municipal Finance Management Act 56 of 2003 and the Budget and Reporting Regulations

Regulation 28 of the Municipal Budget and Reporting Regulations states:

"The monthly budget statement of a municipality must be in the format specified in the Schedule C and include all required tables, charts and explanatory information, taking into account any guidelines issued by the Minister in terms of section 168(1) of the Act."

Recommendations:

- That, Council takes note of the monthly budget statement and supporting documentation for the month 30 June 2025.
- That, the submission of section 71 reports and to Provincial and National Treasuries 10 days after the end of each month be noted by Council.

- Cedarville
 R 17,223,269 (including current)

The municipality has appointed a panel of collecting agency to assist in implementing the credit and debt policy for outstanding debt 90 days and over.

The credit control measures for collection are implemented especially for old debt.

The following are measures to be put in place to reduce the outstanding debts

MAINTE

• Continuous partial blocking of accounts that utilize the prepaid electricity meters.

Other reasons for the increase in debt:

- The new valuation roll was implemented, General valuation roll that has produced substantial increased property values resulting in unaffordable property rates;
- The loss of income faced by customers affected their ability to pay.
- Escalating interest charges on outstanding government debt that is not serviceable.
