- Maluti
 R 71,494,497 (including current)
- Cedarville
 R 16,946,286 (including current)

The municipality have currently appointed a panel of collecting agency to assist in implementing the credit and debt collection policy for outstanding debt 90 days and over.

The credit control measures for collection are implemented especially for old debt.

The following are measures to be put in place to reduce the outstanding debts

Continuous partial blocking of accounts that utilize the prepaid electricity meters.

Other reasons for the increase in debt:

- The new valuation roll was implemented, General valuation roll that has produced substantial increased property values resulting in unaffordable property rates;
- The loss of income faced by customers affected their ability to pay.
- Escalating interest charges on outstanding government debt that is not serviceable.
