**Section 66** of the MFMA requires that the accounting officer of a municipality must report to Council in a prescribed format all expenditure incurred by the municipality on staff salaries, wages and benefits in a manner that discloses expenditure per type such as salaries contributions for pensions etc.

Remuneration related expenditure for the month ended 31 July 2025 amounted **R 15,8 million** of which the expenditure **R 1,9 million** relates to Remuneration of Councillors and **R 13,8 million**, to Managers and staff, that represents **7%** of the budgeted amount for this category and the expenditure is less than expected performance for the month.

The variance is attributable to vacant posts anticipated to be filled in the 2025/2026 financial year. The process of filling posts is continuous hence there is a variance, this is also attributed to cost savings initiatives. However, it is anticipated that the costs may increase when the year progress.
