 - e) Any contract relating to the publication of notices and advertisements by the municipality.

3. Adoption and amendment of the supply chain management policy

- (1) The accounting officer must –
 - (a) At least annually review the implementation of this policy; and
 - (b) When the accounting officer considers it necessary, submit proposals for the amendment of this policy to the council.
- (2) If the accounting officer submits a draft policy to the council that differs from the model policy, the accounting officer must ensure that such draft policy complies with the Regulations. The accounting officer must report any deviation from the model policy to the National Treasury and the relevant provincial treasury.
- (3) When amending this supply chain management policy, the need for uniformity in supply chain practices, procedures and forms between organs of state in all spheres, particularly to promote accessibility of supply chain management systems for small businesses must be taken into account.
- (4) The accounting officer of a municipality must in terms of section 62(1) (f) (iv) of the Act, take all reasonable steps to ensure that the municipality has and implements this supply chain management policy.
- (5) By adopting this policy, the council further pledges itself and the municipal administration, to the full support of the Proudly SA campaign and to the observance of all applicable national legislation, including specifically the:
 - (i) Preferential Procurement Policy Framework Act No. 5 of 2000 and its regulations
 - (ii) Broad Based Black Economic Empowerment Act No. 53 of 2003 and any applicable code of practice promulgated in terms of that Act; and
 - (iii) Municipal Finance Management Act No. 56 of 2003, including the regulations relating to the prescribed framework for supply chain management.

- (iv) Where applicable the council also pledges itself to observe the requirements of the Construction Industry Development Board Act No. 38 of 2000 and regulations and
- (v) National Small Business Act of 1996.

4. Delegation of supply chain management powers and duties

- (1) The council hereby delegates such additional powers and duties to the accounting officer so as to enable the accounting officer –
 - (a) To discharge the supply chain management responsibilities conferred on accounting officers in terms of –
 - (i) Chapter 8 or 10 of the Act; and
 - (ii) The supply chain management policy;
 - (b) To maximize administrative and operational efficiency in the implementation of the supply chain management policy;

- (c) Not exceeding R2 million (VAT included) must be sub delegated but only to –
 - (i) A bid adjudication committee.
- (3) Bid adjudication committee to which the power to make final awards has been sub delegated in accordance with subparagraph (2) of this policy must within five days of the end of each month submit to the official referred to in subparagraph (4) of this policy a written report containing particulars of each final award made by such official or committee during that month, including–
 - (a) The amount of the award;
 - (b) The name of the person to whom the award was made; and
 - (c) The reason why the award was made to that person.
- (4) A written report referred to in subparagraph (3) of this policy must be submitted –
 - (a) To the accounting officer, in the case of an award by –
 - (i) A bid adjudication committee of which the chief financial officer or a senior manager is a member; or
 - (b) To the chief financial officer or the senior manager responsible for the relevant bid, in the case of an award by –
 - (i) A bid adjudication committee of which the chief financial officer or a senior manager is not a member.
- (5) Subparagraphs (3) and (4) of this policy do not apply to procurements out of petty cash.
- (6) This paragraph must not be interpreted as permitting an official to whom the power to make final awards has been subdelegated, to make a final award in a competitive bidding process otherwise than through the committee system provided for in paragraph 26 of this policy.
- (7) No supply chain management decision-making powers must be delegated to an advisor or consultant.

6. Oversight role of council

- (1) The council must maintain oversight over the implementation of this supply chain management policy.

- (2) For the purposes of such oversight the accounting officer must –
- (a) (i) within 30 days of the end of each financial year, submit a report on the implementation of the supply chain management policy of the municipality and of any municipal entity under its sole or shared control, to the council of the municipality,
 - (3) The accounting officer must, within 10 days of the end of each quarter, submit a report on the implementation of the supply chain management policy to the Mayor of the municipality.
 - (4) The reports must be made public in accordance with section 21A of the Municipal Systems Act.

7. *Supply chain management unit*

- (1) The accounting officer must establish a supply chain management unit to implement this supply chain management policy.
- (2) The supply chain management unit must, where possible, operate under the direct supervision of the chief financial officer or an official to whom this duty has been delegated in terms of section 82 of the Act.

8. *Training of supply chain management officials*

- (1) The training of officials involved in implementing the supply chain management policy should be in accordance with any Treasury guidelines on supply chain management training.

- (1) the accounting officer must establish the conditions for the procurement of goods or services through formal written price quotations, which must include conditions stating –
 - (a) That quotations must be obtained from at least three different providers preferably from, but not limited to, providers whose names appear on the list of accredited prospective providers of the municipality or municipal entity, provided that if quotations are obtained from providers who are not listed, such providers must meet the listing criteria in the supply chain management policy required by 14(1)(b) and (c) of this policy;
 - (b) That, to the extent feasible, providers must be requested to submit such quotations in writing;
 - (c) That if it is not possible to obtain at least three quotations, the reasons must be recorded and reported quarterly to the accounting officer or another official designated by the accounting officer;
 - (d) That the accounting officer must record the names of the potential providers requested to provide such quotations with their quoted prices; and
 - (e) That if a quotation was submitted verbally, the order must be placed only against written confirmation by the selected provider.
- (2) A designated official referred to in subparagraph (1)(c) must within three days of the end of each month report to the chief financial officer on any approvals given during that month by that official in terms of that subparagraph.

18. Procedures for procuring goods or services through written or verbal quotations and formal written price quotations

- (1) The accounting officer must determine the operational procedure for the procurement of goods or services through written or verbal quotations or formal written price quotations, which must stipulate –
 - (a) That all requirements in excess of R30 001 (VAT included) that are to be procured by means of formal written price quotations must, in addition to the requirements of paragraph 17, be advertised for at least seven days on the website and an official notice board of the municipality or municipal entity;
 - (b) That when using the list of accredited prospective providers, the accounting officer must promote ongoing competition amongst providers, including by inviting providers to submit quotations on a rotation basis;
 - (c) That the accounting officer must take all reasonable steps to ensure that the procurement of goods and services through written or verbal quotations or formal written price quotations is not abused;

- (d) That the accounting officer or chief financial officer must on a monthly basis be notified in writing of all written or verbal quotations and formal written price quotations accepted by an official acting in terms of a sub delegation, and;
- (e) Requirements for proper record keeping.
- (f) Quotes must be awarded based on compliance to specifications and conditions of contract, ability and capability to deliver the goods and services and lowest price;
- (g) Responsive and acceptable offers, which are subject to the preference points system (PPPFA and associated regulations and policy), must be awarded to the bidder who scored the highest points; The prescripts of the Preferential Procurement Policy Framework Act, Act No.5 of 2000 will be applied for procurement requirements above R30,000 (and with a lesser value where appropriate);
- (h) The Chief Financial Officer must set requirements for proper record keeping of all formal written price quotations accepted on behalf of the municipality;
- (i) Bids for construction procurement related transactions must be advertised in terms of the registration requirements of the CIDB;
- (j) Site meetings or information sessions for all the bids with CIDB requirement may not be scheduled within 5 business days of a bid invitation placed.

19. Competitive bidding process

- (1) Goods or services above a transaction value of R200 000 (VAT included) and long term contracts must only be procured through a competitive bidding process, subject to paragraph 11(2) of this policy; and
- (2) No requirement for goods or services above an estimated transaction value of R200 000 (VAT included), must deliberately be split into parts or items of lesser value merely for the sake of procuring the goods or services otherwise than through a competitive bidding process.

20. Process for competitive bidding

- (1) The accounting officer must establish procedures for a competitive bidding process for each of the following stages:
 - (i) The compilation of bidding documentation (see 21);
 - (ii) The public invitation of bids (see 22);
 - (iii) Site meetings or briefing sessions, if applicable;
 - (iv) The handling of bids submitted in response to public invitation (see 23);
 - (v) The evaluation of bids;
 - (vi) The award of contracts;
 - (vii) The administration of contracts; and
 - (viii) Proper record keeping.

21. Bid documentation for competitive bids

- (1) The accounting officer must establish the criteria to which bid documentation for a competitive bidding process must comply, which in addition to paragraph 13 of this policy, the bid documentation must –
 - (a) Take into account –
 - (a) The general conditions of contract;
 - (b) Any Treasury guidelines on bid documentation; and
 - (c) The requirements of the Construction Industry Development Board, in the case of a bid relating to construction, upgrading or refurbishment of buildings or infrastructure including the CIDB thresholds.
 - (d) Include evaluation and adjudication criteria, including any criteria required by other applicable legislation which may include the threshold in terms of the available budget and cost estimates;
 - (e) Compel bidders to declare any conflict of interest they must have in the transaction for which the bid is submitted;
 - (f) If the value of the transaction is expected to exceed R10 million (VAT included), require bidders to furnish–
 - (i) If the bidder is required by law to prepare annual financial statements for auditing, their audited annual financial statements –
 - (aa) for the past three years; or
 - (bb) since their establishment if established during the past three years;
 - (ii) A certificate signed by the bidder certifying that the bidder has no undisputed commitments for municipal services towards a municipality or other service provider in respect of which payment is overdue for more than 30 days;
 - (iii)Particulars of any contracts awarded to the bidder by an organ of state during the past five years, including particulars of any material non-compliance or dispute concerning the execution of such contract;
 - (iv)A statement indicating whether any portion of the goods or services expected to be sourced from outside the Republic, and, if so, what portion and whether any portion of payment from the municipality or municipal entity is expected to be transferred out of the Republic; and
 - (i) Stipulate that disputes must be settled by means of mutual consultation, mediation (with or without legal representation), or, when unsuccessful, in a South African court of law.
 - (ii) In the absence of formal construction or technical contracts, e.g. JBCC and General Conditions of Contract, in which guarantees / sureties are contained, the following shall apply:
 - (iii)Where surety is required it shall be in the form of cash or a bank guarantee from a banking institution registered in terms of the Banks Act, 1990 (Act No. 94 of 1990) or from an insurer registered in terms of the Insurance Act, 2002 (Act No. 30 of 2002).

22. Public invitation for competitive bids

- (1) The accounting officer must determine the procedure for the invitation of competitive bids, which must stipulate that:
 - (a) Any invitation to prospective providers to submit bids must be by means of a public advertisement in newspapers commonly circulating locally, the website of the municipality or municipal entity or any other appropriate ways;
 - (b) The information contained in a public advertisement, must include –
 - (i) *the closure date for the submission of bids, which must not be less than 30 days in the case of transactions over R10 million (VAT included), or which are of a long term nature, or 14 days in any other case, from the date on which the advertisement is placed in a newspaper, subject to subparagraph (2) of this policy; and*
 - (ii) *A statement that bids must only be submitted on the bid documentation provided by the municipality or municipal entity.*
 - (iii) *The Construction project must be advertised for 21 days*
- (2) *The accounting officer must determine a closure date for the submission of bids which is less than the 30 or 14 days' requirement, but only if such shorter period can be justified on the grounds of urgency or emergency or any exceptional case where it is impractical or impossible to follow the official procurement process.*
- (3) The municipality will charge a non-refundable fee for bid documents inclusive of VAT as per the list below:
 - (a) Less or equal to R1 million (80/20) – R300
 - (b) Greater than R1 million but less than R10 million (80/20) – R500
 - (c) Greater than R10 million but less than R 50 million (80/20) – R1 000

 - (i) The purpose of this fee is to cover the printing costs and any other costs involve in preparing of the bid document.
 - (ii) Bids documents will be available for free on E-tender website
- (4) Two envelopes system- - Each bid must comprise of a Technical offer and a financial offer, each of which must be submitted separately and both offers must be clearly marked the name of the bidder, failing which will lead to disqualification. (if applicable). Bids submitted must be sealed.
- (5) Electronic bids will not be accepted, unless the bid documentation specifically provides for this method of submission.

23. Procedure for handling, opening and recording of bids

- (1) The accounting officer must determine the procedures for the handling, opening and recording of bids, which must stipulate that:

(a) Bids—

- (i) Must be opened only in public; and
 - (ii) Must be opened at the same time and as soon as possible after the period for the submission of bids has expired;
- (b) Any bidder or member of the public has the right to request that the names of the bidders who submitted bids in time must be read out and, if practical, also each bidder's total bidding price; and
- (c) The accounting officer must —
- (i) Record in a register all bids received in time;
 - (ii) Make the register available for public inspection; and
 - (iii) Publish the entries in the register and the bid results on the website.

(2) Late Bids

- a) Bids or quotations arriving after the specified closing time shall not be considered and where practicable and cost effective shall be returned to the bidder unopened with a letter explaining the circumstances.
- b) Bid documents must clearly state the venue where the bidding box is situated for each bid. Any bid delivered to the wrong bid box will not be considered, even if it was delivered on time.
- c) Where it is necessary to open a late bid or quotation to obtain the name and address of the sender, each page of the document shall be stamped "late bid" before the bid is returned to the bidder. The envelope must be stamped and initialled in like manner and must be retained for record purposes.

(3) Amendments before the closing date

- (a) The Municipality may, if necessary, communicate with bidders prior to bids closing
- (b) The Municipality is entitled to amend any bid condition, validity period, specification or plan, or extend the closing date of such a bid or quotation before the closing date.
- (c) For this reason, officials and authorised service providers issuing bids shall keep a record of the names, addresses and contact numbers of the persons or enterprises to whom bid documents have been issued.
- (d) Formal communication, which has implications of consequence for all tenderers, shall be in the form of a notice issued to all bidders by the Supply Chain Management Unit by e-mail, facsimile, or registered post as appropriate. A copy of the notice together with a transmission verification report/proof of posting shall be kept for record purposes.

(4) Dealing with bids and quotations if the closing date thereof has been extended.

- (a) Where the closing date of a bid or quotation is extended, the notice which makes known such extensions shall also mention the bids or quotations already received, will be retained unopened in the bidding box and be duly considered after the expiry of the extended period, unless the bidder requests that such bid or quotation to be returned to the bidder or unless the bidder cancels it by submitting a later dated bid or quotation before the extended closing date.

(5) Notification of Decision

- (a) The successful and unsuccessful bidders shall be notified in writing once a Final Award has been made with regards to all the bids advertised.
- (b) Each bidder, on request, is entitled to feedback concerning its own bid.
- (c) The successful bidder shall, in addition, be advised of the 14-day objection period (see 49).

(6) Access to bid information

- (1) When divulging information, a balance must be stricken between one party's right to access of information and the right to confidentiality of the other party.
 - (i) Bids are not available for perusal by the public.
 - (ii) The reasons why another bidder's bid was unsuccessful should not be supplied, as this may contain privileged information (e.g. a negative banking report).
 - (iii) No itemised prices other than the formal contract prices of the successful bidder(s) may be supplied to competitors.
 - (iv) According to the prescripts of section 36 of the Promotion of Access to Information Act, no 2 of 2000, no information may be revealed that will prejudice a third party in commercial competition. Revealing itemised prices of unsuccessful bidders may reveal their trade secrets/strategies and no such information may be revealed without the written consent of the relevant bidder(s).
 - (v) According to sections 36 and 63 of the Promotion of Access to Information Act, Act No 2 of 2000, a public body must refuse a request for access to a record of the body if the record contains:
 - (a) Trade secrets of a third party.
 - (b) Financial, commercial, scientific or technical information, other than trade secrets, of a third party, the disclosure of which would be likely to cause harm to the commercial or financial interest of the third party.
 - (c) information supplied in confidence by a third party, the disclosure of which could reasonably be expected:
 - (d) To put that third party at a disadvantage in contractual or other negotiations.
 - (e) To prejudice that third party in commercial competition.

24. Negotiations with preferred bidders

- (1) The accounting officer must negotiate the final terms of a contract with bidders identified through a competitive bidding process as preferred bidders, provided that such negotiation –

- (a) Does not allow any preferred bidder a second or unfair opportunity;
 - (b) Is not to the detriment of any other bidder; and
 - (c) Does not lead to a higher price than the bid as submitted.
 - (d) Does not lead to a lower price in respect of sale of land / goods.
- (2) Minutes of such negotiations or correspondence must be kept for record purposes.
- (3) No unauthorised communication with bidders and prospective providers:
- a) Where bids and quotations have been submitted to the municipality, a bidder may not communicate with any councillor, official, or authorised service provider on any matter regarding his bid, quotation or offer other than a notice of withdrawal.
 - b) No municipal personnel may communicate with a bidder or any other party who has an interest in a bid, during the period between the closing date for the receipt of the bid or quotation (or date of receipt of an offer), and the date of notification of the successful bidder of acceptance of his bid, quotation or offer, except as provided for in clause (c) below. Every such case of unauthorised communication shall forthwith be reported to the Supply Chain Management Unit as well as the chairperson of the Bid Adjudication Committee. A bid or quotation in respect of which unauthorised communication has occurred may be disqualified.
 - c) The chairperson of the Bid Adjudication Committee, as determined in clause 29(2), may authorise an employee or authorised consulting service provider, in writing, to communicate with a bidder during the period mentioned in subsection (b) above for the purpose of: -
 - (i) Obtaining an explanation and verification of declarations made in the bid response;
 - (ii) Confirming technical particulars and the compliance thereof with specifications;
 - (iii) Clarifying delivery times/quantities;
 - (iv) Extending the validity period of a bid;
 - (v) Clarifying any other commercial aspect;
 - (vi) For the submission of substantiating documents.
 - d) In all cases where authority has been granted to communicate with bidders in terms of clause (c) above, it should be clearly stated in the submission to the Bid Adjudication Committee the nature of the communication as well as by whom such authority to communicate has been granted.
 - e) All changes and/or clarification of specifications shall be conveyed to all bidders by means or methods as specified in clause 23.

25. Two-stage bidding process

- (1) A two-stage bidding process is allowed for –
 - (a) Large complex projects;
 - (b) Projects where it must be undesirable to prepare complete detailed technical specifications; or
 - (c) Long term projects with a duration period exceeding three years.

(2) In the first stage technical proposals on conceptual design or performance specifications should be invited, subject to technical as well as commercial clarifications and adjustments.

(3) In the second stage final technical proposals and priced bids should be invited.

26. Committee system for competitive bids

(1) The accounting officer is required to –

(a) Establish a committee system for competitive bids consisting of at least –

- (i) A bid specification committee;
- (ii) A bid evaluation committee; and
- (iii) A bid adjudication committee of which a member of either the bid specification or bid evaluation committee must be an advisor;

(b) Appoint the members of each committee, taking into account section 117 of the Act; and

(c) Provide for an attendance or oversight process by a neutral or independent observer, appointed by the accounting officer, when this is appropriate for ensuring fairness and promoting transparency.

(2) The committee system must be consistent with –

(a) Paragraph 27, 28 and 29 of this policy; and

(b) Any other applicable legislation.

(c) All bid committees shall be formally constituted by the municipal manager.

(d) A formal agenda shall be prepared for each committee and distributed to the members before the meeting.

(3) The accounting officer must apply the committee system to formal written price quotations.

27. Bid specification committees

(1) The bid specification committee must compile the specifications for each procurement of goods or services by the municipality or municipal entity.

(2) Specifications –

(i) Must be drafted in an unbiased manner to allow all potential suppliers to offer their goods or services;

(ii) Must take account of any accepted standards such as those issued by Standards South Africa, the International Standards Organisation, or an authority accredited or recognised by the South African National Accreditation System with which the equipment or material or workmanship should comply;

- (iii) Where possible, be described in terms of performance required rather than in terms of descriptive characteristics for design;
- (iv) Must not create trade barriers in contract requirements in the forms of specifications, plans, drawings, designs, testing and test methods, packaging, marking or labeling of conformity certification;
- (v) Must not make reference to any particular trade mark, name, patent, design, type, specific origin or producer unless there is no other sufficiently precise or intelligible way of describing the characteristics of the work, in which case such reference must be accompanied by the words "equivalent";
- (vi) Must indicate each specific goal for which points must be awarded in terms of the points system set out in the Preferential Procurement Regulations 2001; and
- (vii) Must be approved by the accounting officer prior to publication of the invitation for bids in terms of paragraph 22 of this policy.

(viii) Verification by the Chief Financial Officer prior to advertisement of bids above R10 million

- (ix) The following information must be submitted by the senior manager responsible for the Vote to the CFO prior to the public advertisement of any bids in excess of R10 million (all applicable taxes included):
 - (a) Proof that budgetary provision exists for procurement of the goods, services and/ or infrastructure projects;
 - (b) Any ancillary budgetary implications related to the bid, for example, if the project is for the acquisition of a municipal asset, does budgetary provision exist for the operation of the asset, maintenance costs relating to the asset, administration costs and rehabilitation/renewal costs;
 - (c) Any multi-year budgetary implications, for example, if a project will take more than one financial year, the estimated expenditure per financial year. Goods, services and/or infrastructure projects above the value of R10 million (all applicable taxes included) may only be advertised after the CFO has verified in writing that budgetary provision exists for the commencement of the particular project.
- (iii) Requirements may not be deliberately split into parts or items of lesser value merely to avoid the information being submitted.
- (3) The bid specification committee must be composed of one or more officials of the municipality or municipal entity, preferably the manager responsible for the function involved, and must, when appropriate, include external specialist advisors;
- (4) No person, advisor or corporate entity involved with the bid specification committee, or director of such a corporate entity, must bid for any resulting contracts.

28. Bid evaluation committees

- (1) The Bid Evaluation Committee shall consider the bids received and shall note for inclusion in the evaluation report, a bidder whose bid is considered by the Bid Evaluation Committee to be invalid for any of the following reasons:
 - (i) the bid, including the bid amount, where applicable, is not submitted on the official Form of Offer
 - (ii) whose bid does not comply with the general conditions applicable to bids and quotations of this Policy;
 - (iii) whose bid is not in compliance with the specification;
 - (iv) whose bid does not meet the minimum score for functionality, if applicable;
 - (v) whose bid is not in compliance with the terms and conditions of the bid documentation;
 - (vi) who is not registered and verified on the Municipality's Suppliers Database;
 - (vii) who, in the case of construction works acquisitions, does not comply with the requirements of the CIDB Act regarding registration of contractors and the CIDB thresholds for a particular class;
 - a) who has failed to submit an original and valid tax clearance certificate from the SARS certifying that the taxes of the bidder are in order
- 2) Evaluate bids in accordance with, the points system set out in terms of the Preferential Procurement Policy, section 2 (b), where the points calculation shall be based on 80 for price and 20 for specific goals if a bid has a value below R 50 000 000.00 (including VAT) and 90 for price and 10 for specific goals if a bid has a value over R 50 000 000.00 (including VAT)
- 3) The responsive bid that scores the highest number of adjudication points must be recommended for acceptance unless objective criteria, in addition to those specific goals contemplated in section 2 of the PPPFA, justify the acceptance of another bid. Such objective criteria include whether the recommended bidder:
 - (i) has demonstrated that it has the necessary resources and skills required to fulfil its obligations in terms of the bid document;
 - (ii) poses any commercial or legal risk to the Municipality;
 - (iii) Take into consideration thresh-hold limits e.g. evaluation of all submitted bids in terms of determined cost estimates within the approved thresholds as per bid invitation specified limits.
- 4) The bidder may be regarded as non-responsive if on considering the bid poses the following risks,
 - (i) Increase chances of non-completion of the awarded contract.
 - (ii) Bidder with history of non-completion of awarded contracts
 - (iii) Whose bid proposal is too low from the determined cost estimates
 - (iv) Any other criteria specified in the bid documents.
- 1) Check in respect of the recommended bidder whether municipal rates and taxes and municipal service charges are not in arrears for more than three months and;
- 2) Submit to the adjudication committee a report and recommendations regarding the award of the bid or any other related matter;

- 3) Submit to the adjudication committee a report and reasons in the event of a tender not being awarded.
- 8) A Bid Evaluation Committee must as far as possible be composed of
 - a) Standing members
 - (i) a delegated senior supply chain management practitioner;
 - (ii) at least one knowledgeable / professional official from the Directorate for whom the bid is called; and
 - (iii) A legal advisor.
 - b) Other members:
 - (i) Technical experts, consultants or advisors, provided that these experts may only actively contribute to discussions, but not vote on the items evaluated.
- 9) Contracts above the value of R10 million may only be recommended for award to the preferred bidder after the Chief Financial Officer has verified in writing that budgetary provision exists for the acquisition of the goods, infrastructure projects and/or services and that it is consistent with the Integrated Development Plan.

29. Bid adjudication committees

1. The bid adjudication committee must –
 - (a) Be a standing committee;
 - (b) Consider the report and recommendations of the bid evaluation committee; and
 - (c) Either –
 - (i) Depending on its delegations, make a final award or a recommendation to the accounting officer to make the final award; or
 - (ii) Make another recommendation to the accounting officer how to proceed with the relevant procurement.
2. The bid adjudication committee must consist of at least four senior managers of the municipality or municipal entity which must include –
 - (i) The chief financial officer or, if the chief financial officer is not available, another manager in the budget and treasury office reporting directly to the chief financial officer and designated by the chief financial officer; and
 - (ii) At least one senior supply chain management practitioner who is an official of the municipality; and
 - (iii) A technical expert in the relevant field who is an official, if such an expert exists.
3. A quorum for the Adjudication Committee shall be four members with voting rights.
 - a) In the event of an equality of votes the chairperson shall have a casting vote over and above a deliberate vote.

4. The Chairperson of the Bid Evaluation Committee or in his absence an official nominated by the Chief Financial Officer should be present at the Bid Adjudication Committee meetings to introduce the reports to the Committee and assist in clarifying issues that were dealt with in the Evaluation Committee meetings without voting rights.
5. A technical expert in the relevant field, who is an official, if such an expert exists, may attend the meeting as an advisor for clarification purposes. This official will not have voting rights at the Bid Adjudication Committee meeting.
6. The accounting officer must appoint the chairperson of the committee preferable the Chief Financial Officer. If the chairperson is absent from a meeting, the members of the committee who are present must elect one of them to preside at the meeting.
7. Neither a member of a bid evaluation committee, nor an advisor or person assisting the evaluation committee, must be a member of a bid adjudication committee.
8. If the bid adjudication committee decides to award a bid other than the one recommended by the bid evaluation committee, the bid adjudication committee must prior to awarding the bid –
 - (i) Check in respect of the preferred bidder whether that bidder's municipal rates and taxes and municipal service charges are not in arrears, and;
 - (ii) Notify the accounting officer.
9. The accounting officer must –
 - (i) After due consideration of the reasons for the deviation, ratify or reject the decision of the bid adjudication committee referred to in paragraph (a); and
 - (ii) If the decision of the bid adjudication committee is rejected, refer the decision of the adjudication committee back that committee for reconsideration.
10. The accounting officer must at any stage of a bidding process, refer any recommendation made by the evaluation committee or the adjudication committee back to that committee for reconsideration of the recommendation
11. The accounting officer must comply with section 114 of the Act within 10 working days:
 - a) If a tender other than the one recommended in the normal course of implementing the supply chain management policy is approved, the Accounting Officer must, in writing, notify the Auditor-General, the Provincial Treasury and the National Treasury of the reasons for deviating from such recommendation.
 - b) Subsection (7) does not apply if a different tender was approved in order to rectify an irregularity.

30. Procurement of banking services

(1) Banking services –

- (a) Must be procured through competitive bids;
- (b) Must be consistent with section 7 or 85 of the Act; and
- (c) Must not be for a period of more than five years at a time.

- (2) The process for procuring a contract for banking services must commence at least nine months before the end of an existing contract.
- (3) The closure date for the submission of bids must not be less than 60 days from the date on which the advertisement is placed in a newspaper in terms of paragraph 22(1).
- (4) Bids must be restricted to banks registered in terms of the Banks Act, 1990 (Act No. 94 of 1990).

31. Procurement of IT related goods or services

- (1) The accounting officer must request the State Information Technology Agency (SITA) to assist with the acquisition of IT related goods or services through a competitive bidding process.
- (2) Both parties must enter into a written agreement to regulate the services rendered by, and the payments to be made to, SITA.
- (3) The accounting officer must notify SITA together with a motivation of the IT needs if –
 - (a) The transaction value of IT related goods or services required in any financial year will exceed R50 million (VAT included); or
 - (b) The transaction value of a contract to be procured whether for one or more years exceeds R50 million (VAT included).
- (4) If SITA comments on the submission and the municipality disagree with such comments, the comments and the reasons for rejecting or not following such comments must be submitted to the council, the National Treasury, the relevant provincial treasury and the Auditor General.
- (5) The Municipality is required to follow the following process before inviting proposals for a new financial management system:
 - a) National and Provincial Treasury should immediately be informed of any intention to replace the accounting or billing system currently operating at the municipality;
 - b) The submission should include a comprehensive motivation with specific reasons for why it is deemed necessary to replace the existing financial system;
 - c) A copy of the service level agreement with minutes of the meetings between the municipality and the current service provider (financial system vendor) during the previous twelve months must be made available;
 - d) The organisational structure, specifically for the IT department/function, clearly indicating management capacity and responsibility for operating the financial system, must be submitted;
 - e) An assessment should be done to determine which modules of the existing financial system are being utilised by the municipality and reasons must be provided for modules not in operation. In cases where an existing system is not an ERP system the municipality must provide details of any other systems utilised by the municipality;
 - f) The date on which the existing financial system was implemented, the procurement and implementation costs and the current operational costs thereof must be disclosed;
 - g) A technical assessment must be undertaken on the server and network requirements of the new financial system and a copy of such report should be submitted; and
 - h) Copies of all IT strategies, policies and procedural documents including the IT disaster recovery plan must be made available.

32. Procurement of goods and services under contracts secured by other Organs of state

- (1) The accounting officer must procure goods or services under a contract secured by another organ of state, but only if –
 - (a) The contract has been secured by that other organ of state by means of a competitive bidding process applicable to that organ of state;
 - (b) There is no reason to believe that such contract was not validly procured;
 - (c) There are demonstrable discounts or benefits to do so; and
 - (d) That other organ of state and the provider have consented to such procurement in writing.

In addition to the explicit requirements indicated above, municipalities need to comply with the following:

- a) The scope of the services or works or the quantities of the goods in terms of specifications **must be exactly the same as those included in the contract** awarded by the other organ of the State;
- b) The contract entered into between the municipality and the service provider/ supplier **must be exactly the same** as the one that was originally secured by the other organ of the State; and
- c) The tender price that is included in the contract of the municipality **must be exactly the same** as the price that was included in the contract secured by the other organ of the State.

- (2) Subparagraph (1) (c) and (d) do not apply if –

- (a) A municipal entity procures goods or services through a contract secured by its parent municipality; or
- (b) A municipality procures goods or services through a contract secured by a municipal entity of which it is the parent municipality.

33. Procurement of goods necessitating special safety arrangements

- (1) The acquisition and storage of goods in bulk (other than water) which necessitate special safety arrangements, including gasses and fuel, should be avoided where ever possible.
- (2) Where the storage of goods in bulk is justified, such justification must be based on sound reasons, including the total cost of ownership, cost advantages and environmental impact and must be approved by the accounting officer.

34. Proudly SA Campaign

- (1) The accounting officer must determine internal operating procedures supporting the Proudly SA Campaign to the extent that, all things being equal, preference is given to procuring local goods and services as per Council's Preferential Procurement Policy

35. Appointment of consultants

- (1) The accounting officer must procure consulting services provided that any Treasury guidelines which are *BBBEA, PPPFA, CIDBA, MFMA and Small Business Act* in respect to procuring consulting services are taken into account.
- (2) Consultancy services must be procured through competitive bids if–
 - (a) The value of the contract exceeds R200 000 (VAT included); or
 - (b) The duration period of the contract exceeds one year.
- (3) In addition to any requirements prescribed by this policy for competitive bids, bidders must furnish particulars of –
 - (a) All consultancy services provided to an organ of state in the last five years; and
 - (b) Any similar consultancy services provided to an organ of state in the last five years.
- (4) The accounting officer must ensure that copyright in any document produced, and the patent rights or ownership in any plant, machinery, thing, system or process designed or devised, by a consultant in the course of the consultancy service is vested in the municipality.

36. Deviation from and ratification of minor breaches of, procurement processes

- (1) the accounting officer must –
 - (a) Dispense with the official procurement processes established by this policy and to procure any required goods or services through any convenient process, which must include direct negotiations, but only –
 - (i) In an emergency;
 - (a) Circumstances that warrant emergency dispensation, includes but are not limited to–
 - (i) The possibility of human injury or death;
 - (ii) The prevalence of human suffering or deprivation of rights;
 - (iii) The possibility of damage to property, or suffering and death of livestock and animals;
 - (iv) The interruption of essential services, including transportation and communication facilities or support services critical to the effective functioning of the municipality as a whole;
 - (v) The possibility of serious damage occurring to the natural environment;
 - (vi) The possibility that failure to take necessary action may result in the municipality not being able to render an essential community service;
 - (vii) The possibility that the security of the state could be compromised.

- (b) The prevailing situation, or imminent danger, should be of such a scale and nature that it could not readily be alleviated by interim measures, in order to allow time for the formal tender process.
- (c) Procurement in the case of emergencies must be tacitly approved by the relevant General Manager or his delegate prior to incurring the expenditure and must be reported to the Municipal Manager or delegated official on the ensuing business day.
- (ii) If such goods or services are produced or available from a single provider only;
- (iii) For the acquisition of special works of art or historical objects where specifications are difficult to compile;
- (iv) Acquisition of animals for zoos and/or nature and game reserves; or
- (v) In any other exceptional case where it is impractical or impossible to follow the official procurement processes; and
- (b) Ratify any minor breaches of the procurement processes by an official or committee acting in terms of delegated powers or duties which are purely of a technical nature.
- (2) The accounting officer must record the reasons for any deviations in terms of subparagraphs (1) (a) and (b) of this policy and report them to the next meeting of the council and include as a note to the annual financial statements.
- (3) Subparagraph (2) does not apply to the procurement of goods and services contemplated in paragraph 11(2) of this policy.

37. Unsolicited bids

- (1) In accordance with section 113 of the Act there is no obligation to consider unsolicited bids received outside a normal bidding process.
- (2) The accounting officer must decide in terms of section 113(2) of the Act to consider an unsolicited bid, only if –
 - (a) The product or service offered in terms of the bid is a demonstrably or proven unique innovative concept;
 - (b) The product or service will be exceptionally beneficial to, or have exceptional cost advantages;
 - (c) The person who made the bid is the sole provider of the product or service; and

The disposal Management Process

At this stage: refer to the Asset MGT policy.

16. Risk management

- (1) The accounting officer must establish an effective system of risk management for the identification, consideration and avoidance of potential risks in the supply chain management system.
- (2) Risk management must include –
 - (a) The identification of risks on a case-by-case basis;
 - (b) The allocation of risks to the party best suited to manage such risks;
 - (c) Acceptance of the cost of the risk where the cost of transferring the risk is greater than that of retaining it;
 - (d) The management of risks in a pro-active manner and the provision of adequate cover for residual risks; and
 - (e) The assignment of relative risks to the contracting parties through clear and unambiguous contract documentation.
- (3) Five Pillars of Procurement
 - a. Value for Money

The term “value for money” includes the monetary value as well as the quality and utilization of the procurement system to achieve government’s policy objectives (see reg. Pertaining to PPPFA).
 - b. Open and Effective Competition:

The pillar for public sector procurement requires the following:

 - (i) A framework of procurement laws, policies, practices and procedures that is transparent, in other words they must be readily accessible to all parties.
 - (ii) Openness in the procurement process

- (iii) Encourage of effective competition through procurement methods suited to market circumstances.
- (iv) Observance the provisions of the PPPFA.
- c. Ethics and fair dealings

All parties involved in procurement should comply with the following ethical standards:

 - (i) Deal with each other on a basis of mutual trust and respect
 - (ii) Conduct their business in a fair and reasonable manner and integrity.
- d. Accountability and Reporting

This involves ensuring that individuals and organizations are accountable for the plans, actions, and outcomes. Openness and transparency in administration, by external scrutiny through public reporting, is an essential element of accountability.
- e. Equity

The word equity in the context of the five pillars of public sector procurement means the application and observance of government policies that are designed to advance persons or categories of person's disadvantages by unfair discrimination. This fifth pillar is vital to public sector procurement in South Africa. It ensures that Government is committed to economic growth by implementing measures to support the industry in general. No public procurement system should be operated if is not founded on the pillars.

Risk management Process it is imperative

7. Regulation 10(4) of the Preferential Procurement Regulations, 2017, prescribes that an organ of state may, prior to the award of a bid, cancel the bid if:
 - (i) Due to changed circumstances there is no longer a need for the goods or services for which bids were solicited;
 - (ii) Funds are no longer available to cover the total envisaged expenditure; or no acceptable bids were received.

19. Preferential Procurement Regulation November 2022

BACKGROUND OF THE PROPOSED AMENDMENT

On 16 February 2022, the Constitutional Court handed down judgment in the application by the Minister of Finance for leave to appeal against the judgment and order of the SCA in essence

confirming the declaration of invalidity of the PPR of 2017. The Minister of Finance has now promulgated new regulations, the Preferential Procurement Regulations of 2022, replacing the impugned PPR of 2017. The PPR of 2022 were gazetted on 4 November 2022. It must be noted that the PPR of 2022 takes effect on **16 January 2023**. Any procurement (bids and quotations) advertised before this date must be dealt with in terms of the Preferential Procurement Regulations, 2017.

Repeal of regulations

Subject to this regulation, the Preferential Procurement Regulations, 2017 published in Government No. 40553 of 20 January 2017, are hereby repealed with effect from the date referred to in regulation. Any tender advertised before the date referred to in regulations of 2017 must be dealt with in terms of the Preferential Procurement Regulations, 2017.

Commencement These Regulations are called the Preferential Procurement Regulations, 2022 and take effect on 16 January 2023.

Application

2. These Regulations apply to organs of state as defined in section 11 of the Act.

Local production and content

- (1) The Department of Trade and Industry may, in consultation with the National Treasury-

- (a) designate a sector, sub-sector or industry or product in accordance with national development and industrial policies for local production and content, where only locally produced services or goods or locally manufactured goods meet the stipulated minimum threshold for local production and content, considering economic and other relevant factors; and
 - (b) Stipulate a minimum threshold for local production and content.
- (2) An organ of state must, in the case of a designated sector, advertise the invitation to tender with a specific condition that only locally produced goods or locally manufactured goods, meeting the stipulated minimum threshold for local production and content, will be considered.
- (3) The National Treasury must inform organs of state of any designation made in terms of regulation 8(1) through a circular.
 - a. If there is no designated sector, an organ of state may include, as a specific condition of the tender, that only locally produced services or goods or locally manufactured goods with a stipulated minimum threshold for local production and content, will be considered.
 - b. The threshold referred to in paragraph (a) must be in accordance with the standards determined by the Department of Trade and Industry in consultation with the National Treasury.
- (4) A tender that fails to meet the minimum stipulated threshold for local production and content is an unacceptable tender.

56. Guidelines when functionality is included as a criterion in the evaluation of bids

- (1) When inviting bids, the municipality will indicate: -

- (i) Whether the bids will be evaluated on functionality;
- (ii) The evaluation criteria for measuring functionality;
- (iii) The weight of each criterion; and
- (iv) The applicable values as well as the minimum threshold for functionality
- (v) Threshold below and above on approved budget, cost estimate and CIDB threshold to be used, if applicable

- (2) The evaluation of the bids will be conducted in the following two stages:

- (i) Firstly, the assessment of functionality will be done in terms of the evaluation criteria and the minimum threshold referred to above.
- (ii) A bid will be disqualified if it fails to meet the minimum threshold for functionality as per the bid invitation.
- (iii) Thereafter, only the qualifying bids will be evaluated in terms of the 80/20 or 90/10 preference points systems, where the 80 or 90 points will be used for price only and the 20 or 10 points are used for Broad Base Black Economic Empowerment (BBBEE).

- (iv) The guidance provided above replaces and prevails over the relevant guidelines contained in paragraph 5.8 of the Supply Chain Management: A Guide for Accounting Officers of Municipalities and Municipal Entities.

57. Infrastructure procurement

SCM POLICY FOR INFRASTRUCTURE PROCUREMENT AND DELIVERY MANAGEMENT FIDPM

For all infrastructure related services, the approved Infrastructure procurement policy must be adhered to according to the FIDPM standard for May 2019.

58. Local Economic Development

1. As part of promoting local economic development all construction project below R4million or CIDB Grading 4 or below there will be no functionality required depending on determination by end user department.

2. Sub-Contracting

- a. For the supply and delivery of goods manufactured outside the Local area contracted supplier must where feasible sub-contract packaging and distribution of such goods to Local SMME.
- b. Local Economic Development should establish and maintain the database of Local SMME.
- c. With regards to Infrastructure projects above 4 CIDB grading the principal contractor must subcontract a minimum of 30% to an emerging contractor.
- d. Infrastructure department should establish and maintain databases of emerging contractor for this purpose.

3 Unbundling Strategies

- a. In order to encourage increased participation and the sustainable growth of the small business sector, the unbundling of larger projects into smaller, more manageable, contracts is encouraged. Unbundling must however be considered in the context of:
 - economies of scale being lost,
 - abortive work becoming necessary,
 - additional demands (not only financial) being placed on the areas resources,
 - the risk of later phases not being completed as a result of budget cuts becoming necessary in the future. Unbundling, and all of its associated implications, must therefore be carefully considered at the planning stage of any project and the budgets for, and design thereof, should be structured accordingly. It is important to note that while it is the Matatiele Local Municipality's policy to procure works in the smallest practicable quantities, the practice of breaking out projects in order to circumvent the formal tender process is not permitted.

59. Framework Agreement Bid

General

- a. It is permissible to invite bids for the supply of goods and services or construction works that is of an ad-hoc or repetitive nature, for a predetermined period of time (commonly referred to as a framework agreement bid).
- b. The period of a framework agreement that is of an ad-hoc nature shall generally not exceed 3 years except with the approval of the Accounting
- c. The period of a framework agreement that is of repetitive nature for services that the Municipality has an obligation to provide on an ongoing basis for the duration of the resulting contract(s), cannot extend beyond the three years covered in the annual budget for the financial year in which the contract will commence, unless all related legislative processes are complied with.
- d. The general acquisition procedure for framework agreement bids shall comply with procedures contained in the acquisition management system of this Policy.
- e. The method by which the price will be determined must be stated in the bid documentation. The detailed formulation of the calculations that will determine the financial offer must be agreed to by the Bid Specification Committee prior to the advertisement of the bid.
- f. The Rand value that will determine the applicable preference system for framework agreement bids in terms of Preferential Procurement Policy Framework Act will be the estimated overall value of the tender.
- g. Bid documentation shall state that the acceptance of framework agreement bids will not impose any obligation on the Municipality to avail itself of the goods and services or construction works offered by the bidders.
- h. Bid documentation shall state the processes by which allocations will be made arising from any resulting contract.
- i. Material for repairs and maintenance can be purchased on a framework agreement bid where circumstances warrant it.
- j. Additional items included in a framework agreement bid by any bidder which are clearly not an alternative to any of the items specified shall not be considered.
- k. Orders for goods or services may be raised up until the expiry of the framework agreement bid, provided that the goods or services can be delivered within 30 days of placing the order.
- l. Orders for professional services or construction works may be raised up until the expiry of the framework agreement bid, provided that the work in respect thereof is completed within the three-year budget cycle that is applicable at the time of placing the order.
- m. Upon request, the Accounting Officer may approve the use of existing framework agreements by other departments in instances where such approval does not conflict with anything else contained in this Policy, would not constitute an amendment to the contract and where the relevant contractors or suppliers has the capacity to perform

Evaluation and Adjudication of Framework Agreement Bids

The process for considering framework agreement bids shall be in terms of the evaluation and adjudication procedures as described in the bid documents and in accordance with the principles contained in this Policy.

Subsequent to award, where different selections of items are required in terms of the same framework agreement bid and it is not possible or practical to separate orders for different items from different suppliers, service providers or contractors (in the case of construction works, for example), then a selection process will have to be carried out in respect of each application by the Supply Chain Management Unit. Individual orders will then be placed (or contracts awarded) on the basis of the highest total adjudication points received, per application.

If the selected supplier, contractor or service provider, in terms of the selection process specified in the framework agreement bid documentation, is unable to provide the required goods, services or construction works at the required time and confirms as such in writing then the bidder with the next highest adjudication points shall be selected. If after a contract is awarded, or an order is placed in terms of a framework agreement bid, the supplier, contractor or service provider fails to supply the goods or service required, then the remedies in terms of the contract shall apply.

60. Commencement

- (1) This policy takes effect on the date on which it is adopted by the council.
