1. OBJECTIVE

The objective of the policy is to provide guidance to the management team of the municipality on the actions required to attract donor finance, grants and donations from Government and the private sector, for projects identified by the municipality.

2. PRINCIPLES

2.1 Government Grants

- a) Grant monies are distributed to lower tiers of government by the National Government, and details are promulgated in the Distribution of Revenue Act on an annual basis, with forecasts for the medium term.

2.2 International Donor Agencies

- b) Donor funds are received by Provincial and District authorities for suitable projects within their jurisdiction.

2.3 Other Funding Agencies

- c) Social Awareness grants are available from Local and International sources for specifically community based projects.

3. STRATEGY

Each manager to implement the following:

- Ensure all projects in his/her division has a formulated business plan for implementation;
- Review the Distribution of Revenue Act in detail, including allocations to Provincial departments and the District Municipality, for possible application for funding;
- Communicate regularly with the Provincial and District Governments regarding the possibility of funding for identified projects;
- Actively search for local and international donor funding for identified projects; and
- Complete application forms for funding, including preparation of supporting documentation.

4. MENTORING AND EVALUATION

Each manager to be responsible for the monitoring and evaluation of the project implementation financed from donor finance.
